

Vignette 4.

JUMP!

Shot from a low angle, pointing towards the sky. We set up a trampoline in the middle of a field, showing the protagonist throwing shapes in the sky.

Birds soaring past, while the clouds move silently above.

A feeling of weightlessness and escape.

***JUMP!***

Shot from a low angle, pointing towards the sky. We set up a trampoline in the middle of a field, showing the protagonist throwing shapes in the sky.

Birds soaring past, while the clouds move silently above.

A feeling of weightlessness and escape.

Vignette 4.  
*JUMP! (Cont.)*

We may also shoot this sequence with our protagonist leaping across the landscape.
